Story Activities

Activities:

(Pick one or more that you would like to do together
- you can do them all if you want!)

- Draw / paint/ collage one or all three of the dresses (you could even use glitter If you have some!)
- Make your own ring out of things you can find in the house.
- Sometimes the coat in this story is made of cat-skins, sometimes the dresses are made of other things too... What other types of coat and dresses could you put into this story? Discuss with partner and either write or video (send videos to Vicky or Nicola and we will share on our project web page)
