# Story Activities

## Activities:

(Pick one or more that you would like to do together – you can do them all if you want!)

- Put on a blindfold and explore an inside/ outside area as Jorinda would 'see' it.
- Draw a picture of yourself if you were turned into a bird.
- Jorinda loved to sing, this made her different and special. What are the things that make you different or special? Discuss with your partner and, if you want, you can record yourself telling the camera and send to Nicola/ Vicky and we will post it to our project page or you can note them in the box below.

A large rounded rectangular box with a pink border, containing three horizontal lines for writing.
