Story Activities

Activities:

(Pick one or more that you would like to do together – you can do them all if you want!)

- Make a sock puppet wolf – take a picture and keep in your file.
- Draw a scene from the story (ie. the house, the tree, the cave).
- Imagine you were the next person to come along to the tree, what would you do with the treasure? Discuss with your partner and if you like, record yourself telling us what you would and email it to Nicola or Vicky and we will share in our project hub.

What lucky things have happened in your life that you have reached out and grabbed?
