Activities:

(Pick one or more that you would like to do together – you can do them all if you want!)

- Draw a picture of your favourite part of this story. (The stonecutter as the sun/ cloud?)
- Can you remember what happened in this story? Try to talk through with your partner what you remember – you could watch the video again and then do this, if you wanted.
- The Stonecutter wish he was a Lord Mayor and a King rather than a stonecutter. What would you wish to be, if there was some story magic that could make it come true? Discuss with partner, you can record your ideas here.
